

SIGNATURE ELITE

HIGH-PERFORMANCE VINYL WINDOWS

SIMULATED DIVIDED LITES

UPSCALE DESIGN WITH ARCHITECTURAL APPEAL

TRADITIONAL AESTHETIC WITH UNMATCHED PERFORMANCE

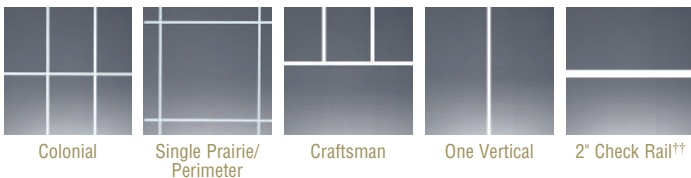

Signature Elite Simulated Divided Lites replicate the historical beauty of true divided lites – handcrafted with small individual panes of glass separated by muntins and mounted in a frame. Our refined design combines this timeless aesthetic with the superior quality, energy efficiency and easy-care convenience of today’s advanced technology.

- Grids are affixed to interior and exterior of windows, adding character and charm throughout.
- Shadow bars placed between panes feature a mill finish to further enhance the dimensional appearance of divided lites.†
- Available in the full collection of Signature Elite colors and woodgrain finishes.
- Choose from historic grid patterns in Colonial, Single Prairie, Single Perimeter, Craftsman, One Vertical and 2" Check Rail.**

1-1/4" (above left) and 7/8" (above right) Simulated Divided Lite with mill finish shadow bar.
